March 2025

Spring is in the air! We're ready to get into some exciting themes this month! March brings a lot of wonderful things to celebrate, including St. Patrick's Day, Dr. Seuss's Birthday, National Reading Month, and Women's History Month. We'll be exploring all things spring, getting creative with stories and crafts, and learning about amazing women who've made a difference. It's going to be a month full of fun, learning, and new adventures!

Academic Focus

Weather & Nature: We'll explore different types of weather, the seasons, and the wonders of nature.
STEM: Hands-on activities will help us discover the magic of science, technology, engineering, and math through play! We have a month full of new experiments and science tool exploration.
Science: Space exploration and our place in the universe. We will also be continuing a deep dive into how our bodies work and proper nutrition.
Women's History: We'll learn about amazing women who changed the world and celebrate their accomplishments.
Dr. Seuss & Early Literacy: With fun stories and activities, we'll build early literacy skills while celebrating the whimsical world of Dr. Seuss.
Community Building: Through games and group activities, we'll continue strengthening our classroom community and friendships. It's going to be a month filled with hands-on learning, fun, and new discoveries!

Quotes of the month

"Fight for the things that you care about. But do it in a way that will lead others to join you."

--Ruth Bader Ginsburg

"Unless someone like you cares a whole awful lot, nothing is going to get better it's not-- it's not."

--Dr. Seuss
