

The logo for Kandiland features the word "Kandiland" in a stylized, blocky font. Each letter is filled with a different colorful, abstract pattern resembling children's drawings. A small, simple drawing of a face with a single eye is positioned above the letter 'i'.

SUMMER EDUCATIONAL CAMP 2025

Kandiland Kandiland Day School

JUNE 2ND - AUGUST 8TH 2025
Summer Time is Here!

Get ready for an unforgettable season at Kandiland's Summer Educational Camp—packed with hands-on learning activities, exciting weekly themes, and surprise adventures your child will love!

Here's what we've got planned:

Math & STEM Mondays & Tuesdays

Ms. Tina will be working in small groups with our school-age students for Extra Math, helping them stay sharp all summer long. In the afternoons, Mr. Robert brings the fun with STEM experiments and hands-on learning that will have the kids excited to discover and explore.

Monday Treats

Every Monday afternoon, our local sno-cone truck will stop by to help us cool off with sweet treats—what better way to start the week?

Culinary Wednesdays

Your little chefs will be cooking up delicious treats during our Culinary Class every Wednesday!

Spanish & Sign Language Thursdays

Ms. Brenda will be teaching our students both Spanish and Sign Language, giving them the chance to expand their communication skills in fun and interactive ways.

Splash Day Fridays

Fridays are all about fun in the sun with Splash Day! Students come dressed for water play and enjoy activities like water slides, mini pool parties, and more.

Gardening Fun

On Mondays, Wednesdays, and Fridays, all age groups will enjoy getting their hands dirty while learning about nature in our Gardening Program.

Field Trip Thursdays

Each Thursday, our Pre-K and School Age students will head out for fun-filled field trips—making memories and learning beyond the classroom.

Surprise Visitors & Events

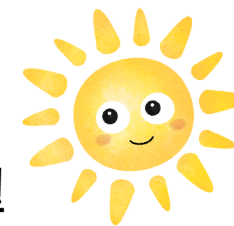

Get ready for even more excitement with special in-house guests, like magic shows, neon parties, and more surprises still to come! We'll be sharing more details soon, so stay tuned!

Thank you for choosing to spend your 2025 summer with our Kandiland Family. We're so excited to watch your children learn, grow, and shine through creativity and exploration all summer long!

Dear Parents and Students,

Thank you for spending the summer with us and creating wonderful memories! We've had an amazing time learning, playing, and making new friends together. We appreciate each of you and are grateful to have shared this summer with your family. We look forward to more fun and exciting adventures ahead!

With gratitude,
KLW Staff!
