May 2025

Happy May! Whether you're looking forward to graduations, summer plans, or simply enjoying the upcoming warmer weather, May is a time to cherish and enjoy. Our May themes for the month are, Transportation, Flowers, Fruits, and Insects/Bugs. May 5th-9th, 2025 is "Teacher Appreciation Week". This is a week long celebration of teachers and educators for their hard work in educating and caring for children.

Parent/Teacher conferences came and went but I am always available to discuss your child's development with you. Let me know if you want to set aside some time to chat and we can choose a date/time that works for both of us.

Parent participation for "T-shirt decorating" was GREAT! Thank you sooo much for joining us!
