

# MAY NEWSLETTER

## ORANGE GROUP | 2025

### Hello parents and caregivers

May is an exciting month! The weather is getting warmer, flowers are blooming, and gardening season is here. As we head toward the end of the school year, we'll be spending more time outdoors and making special memories with our friends. Please keep an eye on our school calendar for upcoming events and activities to ensure your child doesn't miss out on any fun moments. I'm thrilled to share that we're planning our first class field trip! I'm hoping to organize more in the future, so I truly appreciate your support. To help make the trip smooth and enjoyable for the children, please arrive on time and let me know if you're available to help with preparations or supervision.

#### A Note from Administration:

Please be aware that starting May 5th, tuition will increase by \$10 per week per child.

#### Important Reminder for Drop-Off & Pick-Up:

We've noticed increased traffic through the Purple and Blue Group classrooms. To help maintain a calm and safe environment, please use the entrance specific to your child's classroom. If you don't have an access card, kindly ring the bell at the Director's Office for assistance. Thank you  
Miss Bema

### Reminders

#### Upcoming Field Trip – May 19th at 9:30 AM

We are so excited for our upcoming field trip to the Washington Library on Monday, May 19th! The Washington Library is not only beautiful, but also holds historical significance, making it a wonderful destination for our young learners. In the days leading up to the trip, we'll be preparing by reading stories, learning about libraries, and discussing what we might see and experience.

The library administration has kindly arranged a special program just for us, which includes:

- ✓ A cozy story time
- ✓ Exploration of the library
- ✓ Free play in a dedicated children's area

#### Important Reminder:

Please drop off your child by 9:00 AM sharp so we have enough time to walk over to the library.

The Washington Library has a firm schedule for our visit, and we want to be sure our class can enjoy every moment of this enriching experience.
